

Editor-in-Chief Message

I have had the honor and the privilege of serving as the Editor-in-Chief of the journal during this period of time. The successful launch and growth of the journal owes much to the outstanding editorial staff and to the Senior Editors who have given so generously of their time and expertise. We sincerely appreciate your contribution and thank you for your support. The Editorial Review Committee has shaped the journal into a well-respected international publication, and this definitely deserves acclamation. I am honoured that the Journal Committee is investing in my skills as Editor-in Chief, and I take the responsibility of sustaining and building upon the Journal's quality and success very earnestly. As I step down as Editor-in-Chief, I would like to express particular appreciation to Mrs. Pramod Sharma for her unwavering support and interest in the journal, to Mr. Akhil Sharma for his extraordinary work as Managing Editor over the years. It has been my pleasure to work with all the individuals associated with the journal. I would also like to express particular gratitude to reviewers of the journal.

Our journal follows guidelines of Committee for Publication Ethics (COPE); and I trust that the authors of this journal will stand by these guidelines to uphold high standards of scientific publication. Your endless efforts and continuing support to our journal have enabled us to move into our fourth year of publication. I look forward with pride to the continued growth and success of IJPPR and welcome any comments or suggestions you might have on how we can continue to improve our journal.
